SINGLES. Taio Cruz manages to hold the top spot for another week with *Dynamite*. On the back of the release of the album of the same name, **Katy Perry's *Teenage Dream*** has jumped to No.2. In his second week in, **Bruno Mars** has moved from No.43 to No.10 with *Just The Way You Are*. **Snow Patrol's *Chasing Cars*** has re-entered into the chart in light of a recent cover by **Washington**. Further down, **Lady Gaga** has re-entered at No.92 with *Poker Face*, marking the 100th week the song has been in the top 100 - the only song ever to achieve this on the ARIA charts.

No.17 LIKE IT'S HER BIRTHDAY – Good Charlotte. Returning to the chart for the first time in over two years, **Good Charlotte** grabs another top 20 with, *Like It's Her Birthday*. The single is the first to come from the band's forthcoming fifth album - *Cardiology*; their first album in over three years. The track, like the rest of the album, sees the band returning to their pop-punk roots after moving into a dance orientated direction on previous releases. The band's last single to hit the top 100 was *Misery* (No.24 Jan. '08).

No.26 F U – Cee-Lo Green. American singer, songwriter and producer, **Cee-Lo Green** grabs his first ever solo chart spot with *F U*. The track comes from **Green's** forthcoming, third album, *The Lady Killer*. **Green** is probably best known to many as the singer for **Gnarls Barkley**, the project he spearheads with producer **Danger Mouse**. **Gnarls Barkley** achieved their greatest chart success with *Crazy* (No.2 June '06).

No.83 MISTAKES – Brian McFadden Feat. Delta Goodrem. Five years after topping the charts with *Almost Here* (No.1 Mar. '05), **Brian McFadden** and **Delta Goodrem** renew their working relationship with *Mistakes*. The track is the third to be released from **McFadden's** latest album, *Wall Of Soundz* (No.27 May '10) and follows on from *Just Say So* (No.1 Apr. '10) and *Chemical Rush* (No.12 Jun. '10).

No.94 ALWAYS BE HERE – Dane Rumble. New Zealand artist, **Dane Rumble** makes his solo debut on the ARIA chart with *Always Be Here*. The track is the ex-**Fast Crew** member's debut single after the group split in 2008. It reached No.13 when it was released in **Rumble's** homeland last year. *Always Be Here* comes from **Rumble's** debut album, *The Experiment*.

ALBUMS. Four new entries in top five this week gives a different look to the chart, after weeks of domination, **Eminem** is down to No.4 with *Recovery*. On the back of current tours, **The John Butler Trio** and **Powderfinger** have moved up the charts with *April Uprising* and *Golden Rule*, respectively. Re-entries come from three hits compilations by **Roy Orbison**, **Johnny Cash** and **Simon & Garfunkel**.

No.1 TEENAGE DREAM – Katy Perry. Two years on from breaking into the charts with *One Of the Boys* (No.11 Oct. '08), **Katy Perry** has made an even bigger entry with her second album, *Teenage Dream*. The album, which features singles *California Gurls* (No.1 June '10) and *Teenage Dream* (No.2 Sep. '10), debuted in the top spot in a number of countries, including the US, UK and Canada. The album was recorded over a six-month period, starting in October 2009. **Perry** performed songs from the album on a recent promo tour of Australia.

No.2 ASYLUM - Disturbed. After topping the charts with *Indestructible* (No.1 June '08), Chicago metal quartet **Disturbed** return two years on with *Asylum*. The album is the band's fifth and was recorded in their hometown's Groovemaster Studios. This is where they have recorded the majority of their catalogue. Like *Indestructible*, the album is self-produced and the band believes that the lyrics are as dark as its predecessor. The album contains a hidden track. It's a cover of **U2's** song, *I Still Haven't Found What I'm Looking For*.

No.3 RAGE AND RUIN – Jimmy Barnes. *Rage And Ruin* is the sixteenth studio album from Australian music stalwart, **Jimmy Barnes**. The album comes just over a year after his previous release, *The Rhythm And The Blues* (No.1 Sep. '09), topped the charts. This new album is **Barnes'** first featuring all original material since *Out In The Blue* (No.3 Dec. '07). Many of the album's songs stem from a journal **Barnes** kept during a time when he struggled with drug and alcohol addiction. It is rumoured that **Barnes** and **Cold Chisel** are about to begin work on a new album, their first since 1998's *Last Wave Of Summer* (No.1 Oct. '98).

No.5 THEORY OF EVERYTHING – Children Collide. Melbourne trio, **Children Collide** returns to the chart with their second album, *Theory Of Everything*. The album is the follow-up to their debut *The Long Now* (No.74 Oct. '08) and was recorded in California and Melbourne with producers **Rob Schnapf** (**Beck**, **The Vines**) and **Paul Annon** (**Cabins**). **Children Collide** will be touring in support of the album throughout September and will feature on a number of festival bills throughout the summer.

No.18 WOMEN AND CHILDREN LAST - Murderdolls. Eight years on from their debut, *Beyond The Valley Of The Murderdolls*, horror punk supergroup, **Murderdolls** return with their second album. *Women And Children Last* sees the group in a somewhat different state to their first incarnation. This time around, the core band consists only of singer **Wednesday 13** and multi-instrumentalist **Joey Jordison** (also of **Slipknot**). Also appearing on several tracks is **Motley Crue** guitarist **Mick Mars**. **Murderdolls** are currently touring the US with fellow theatric rockers **Alice Cooper** and **Rob Zombie**.

No.71 LIGHT ME UP – The Pretty Reckless. After debuting on the ARIA singles chart with *Make Me Wanna Die* (No.61 July '10), **The Pretty Reckless** have jumped into the ARIA albums chart with, *Light Me Up*. The album is the four-piece's debut and sees the group embrace its influences such as **Nirvana** and **Joan Jett**. **The Pretty Reckless** is lead by actress/model **Taylor Momsen**. The blonde bombshell is known for her work in the series, *Gossip Girl*. The band opened for **The Veronicas** on a previous tour of the US.

No.80 TOMORROW MORNING - Eels. It's been only eight months since **Eels** released their last album, *End Times* (No.48 Feb. '10). The release of their ninth album, *Tomorrow Morning*, completes a trilogy of albums that began with *Hombre Lobo* (No.35 Jun. '09). The three albums explore the themes of desire, loss and redemption, respectively. **Eels** were recently in Australia as part of their first tour since 2007.

No.83 NO BETTER THAN THIS – John Mellencamp. *No Better Than This* is the twenty-first studio album from American singer-songwriter, **John Mellencamp**. It was recorded in a number of places of historical significance throughout the US, while **Mellencamp** was on tour with **Willie Nelson** and **Bob Dylan**. These include Sun Studios in Memphis and the Gunter Hotel in San Antonio; notable as the site blues musician **Robert Johnson** recorded some of his landmark recordings. **Mellencamp's** last release was *Life, Death, Love And Freedom* (No.21 Aug. '08).

No.95 BRIAN WILSON REIMAGINES GERSHWIN – Brian Wilson. Head **Beach Boy**, **Brian Wilson** pays homage to his lifelong love of the music of **George Gershwin** on this new album. Of the fourteen tracks on the album, twelve have **Wilson** reworking tracks made famous by **Gershwin**. Reworks include *Rhapsody In Blue* and *Someone To Watch Over Me*. The other two non-reworked tracks see **Wilson** completing tracks that remained unfinished at the time of **Gershwin's** death. **Wilson** last hit the charts with *That Lucky Old Sun* (No.94 Sep. '08).

#1 Single this week
